<ul style="list-style-type: none"><li>• Badminton Assistant Coach : 2021 - 2023</li><li>• League of Legends Collegiate Player: 2021, 2023- 2024</li><li>• Intermediate Web Dev &amp; Machine Learning (Training Models)</li></ul>	<ul style="list-style-type: none"><li>• Become a Teacher for Secondary Education teaching Mathematics or IT</li><li>• Coaching beginner players badminton</li><li>• Full-stack Developer</li><li>• Manage my own farm produce livestock and crops</li></ul>

“He Who Would Climb a Ladder  
Must Begin at the Bottom”

-Haikyuu! Chapter 398

# Thank You!

I would like to express my deepest gratitude to my family for their constant love, support, and sacrifices throughout this journey. To my professors and mentors, thank you for your guidance, patience, and for sharing your knowledge that shaped my growth in computer science. Above all, I thank the Lord for the strength, wisdom, and grace that carried me through every challenge and milestone. This journey would not have been possible without all of you.
